

To use your new TechPack tools you will need to log into the HomeLife Resource Center. Our system uses single sign on technology to provide you with access to all your services with a single username and password.

After you sign up for the Reallium TechPack you will receive account activation instructions for your services.

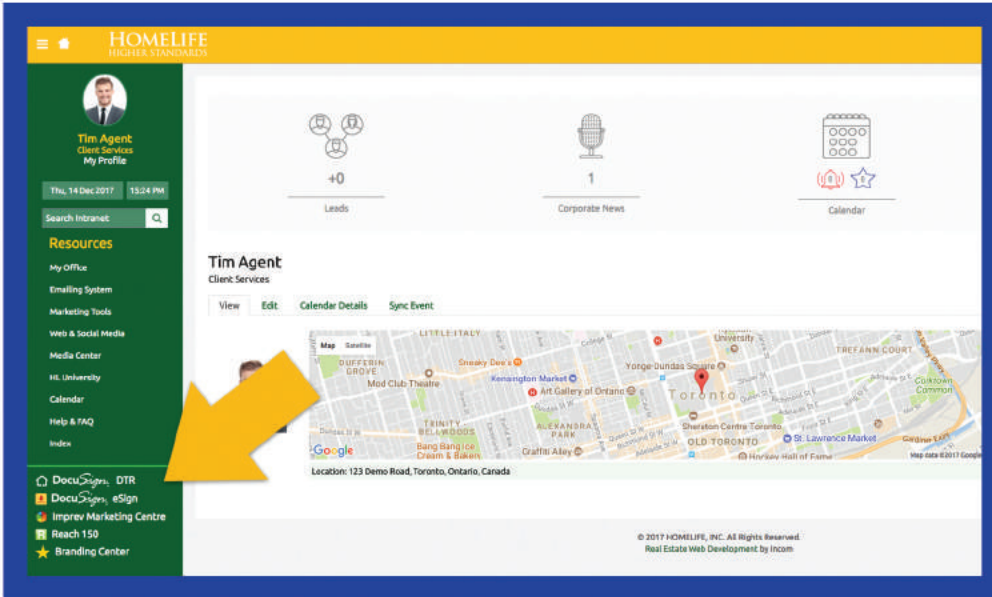

After following the instructions in your Getting Started email your tools will be active and available for use in the resource center.

**Click the Broker/Agent Login link on the upper right of the HomeLife.ca home page.**

**Input your username and password. If you do not have your login credentials please ask you Broker of Record or Manager for them.**
