

In order to sign up for the Reallium TechPack you or your member will need their HomeLife Resource Centre Credentials.

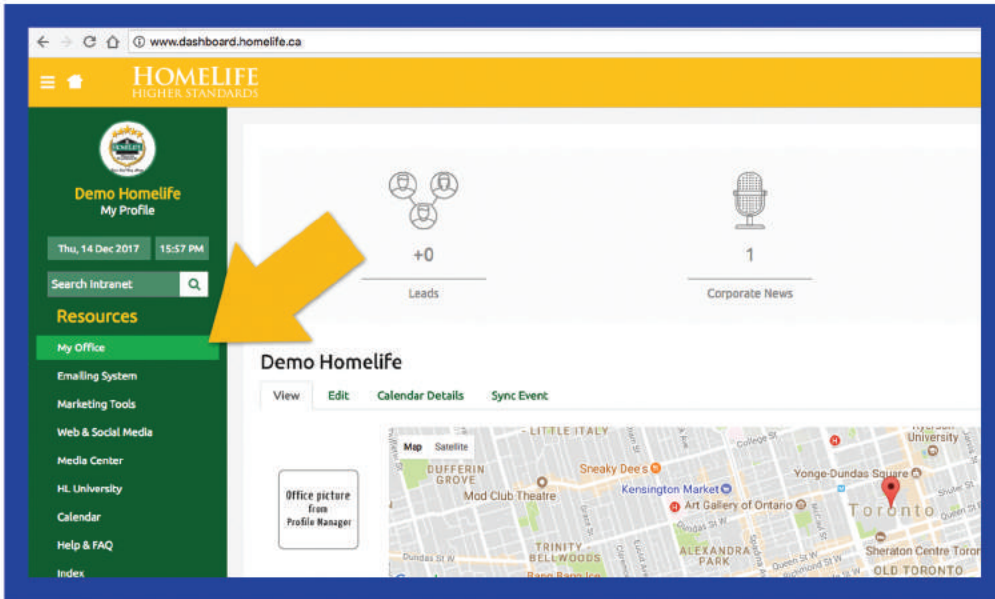

Sign in to the HomeLife Resource Centre using your office username and password to create or change user credentials for your members.

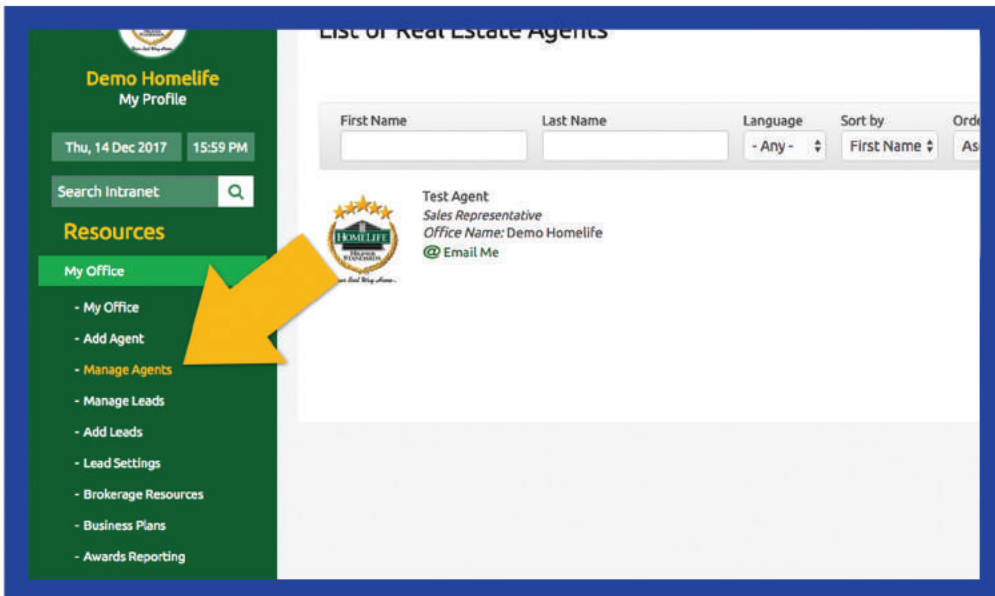

Click the **Broker/Agent Login** link on the upper right of the HomeLife.ca home page.

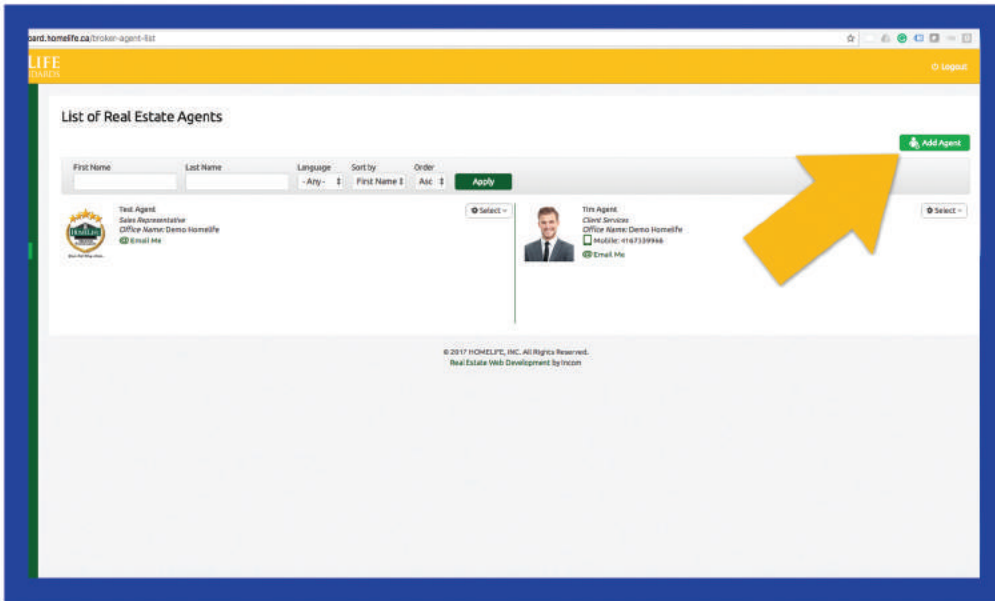

Input your Office username and password to Login.

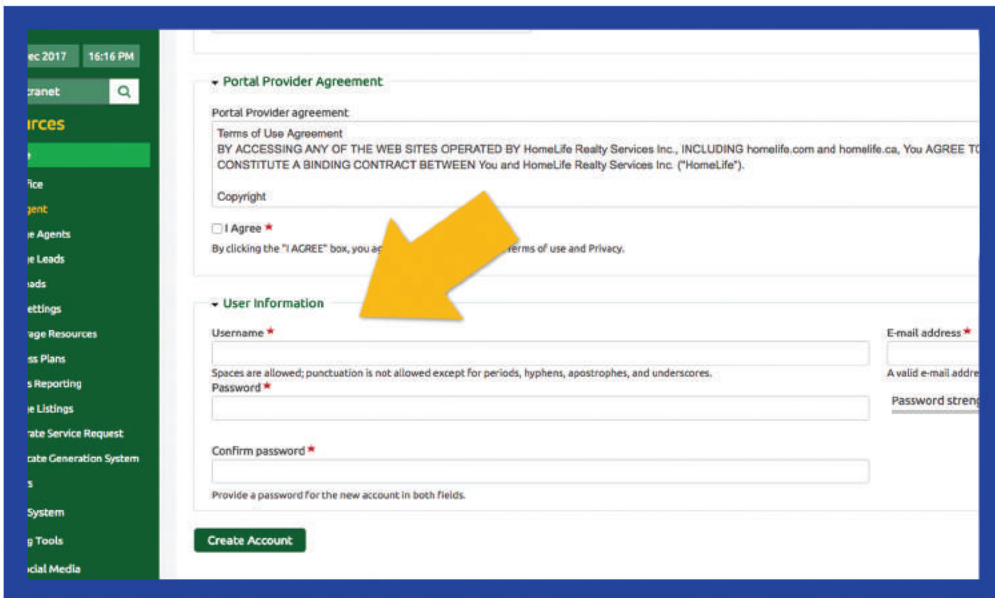

Click My Office on the left
of the page.

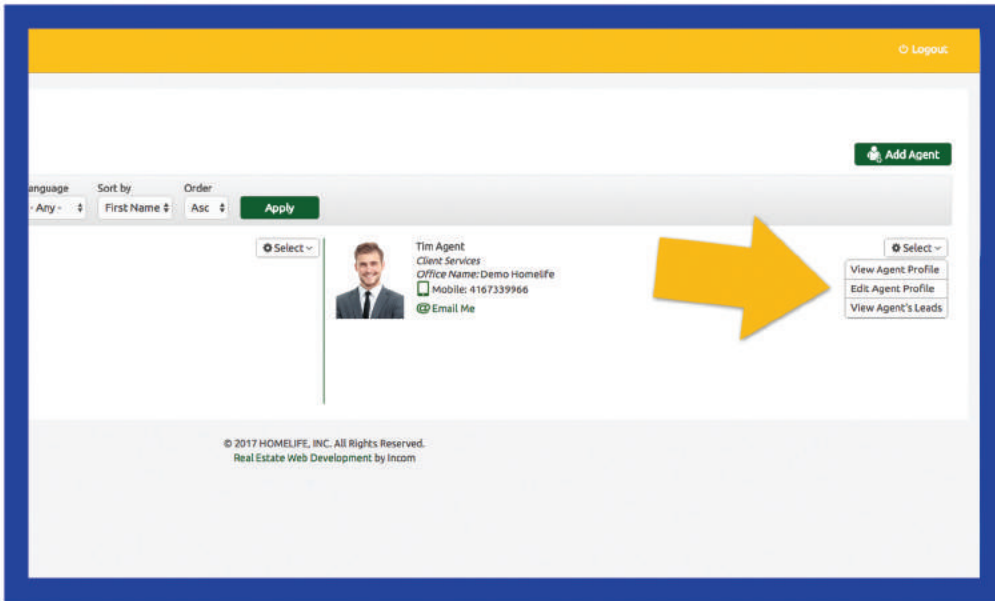

Click manage agents.

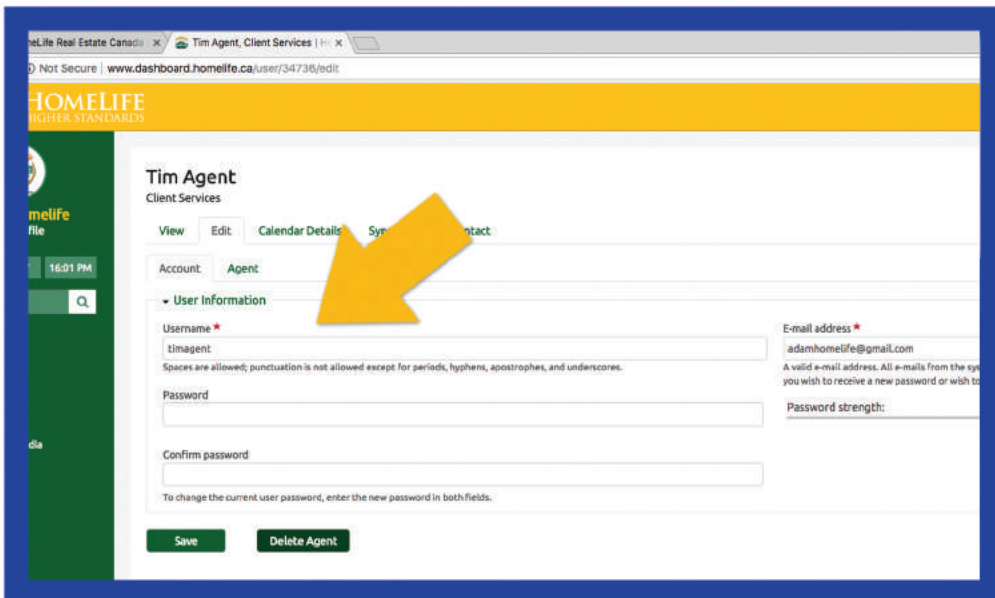

If you are adding an agent
click the add agent link.

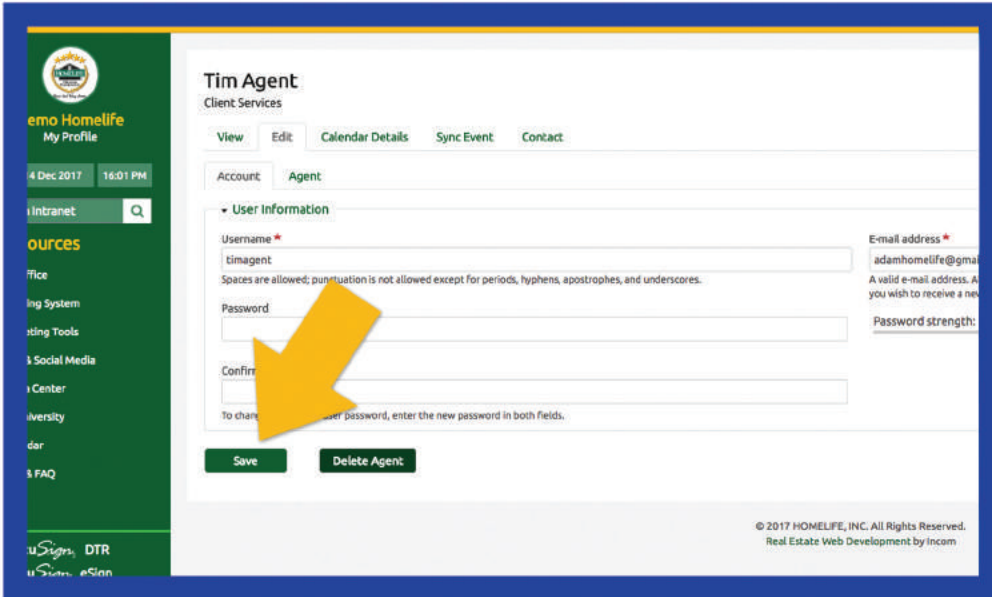

You will be asked to assign
a Resource Center
username and password
for your new member.

If you are searching for an existing agent you can click on the select link to the right of their name and choose edit agent profile from the dropdown menu.

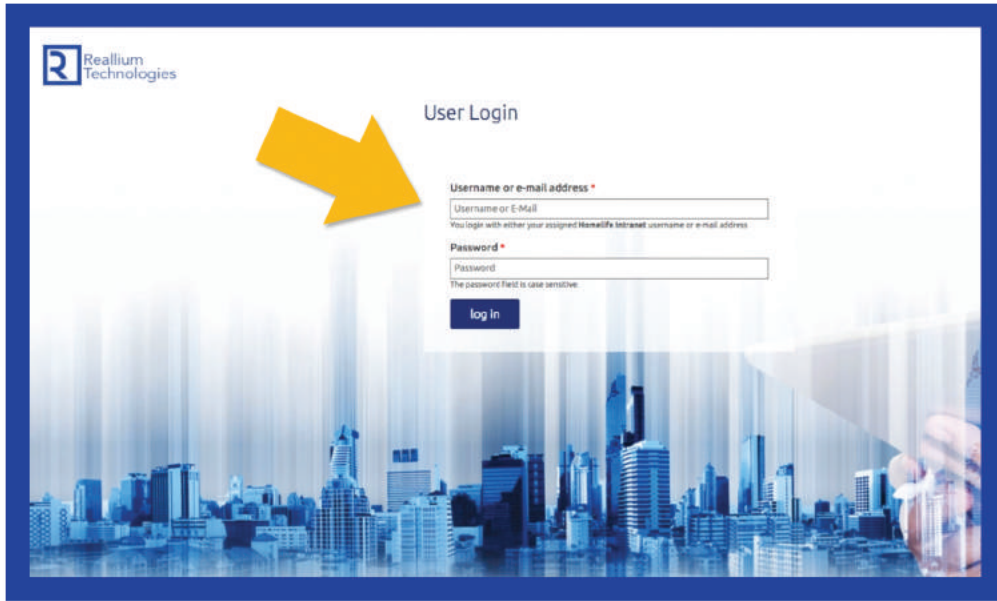

You will now be able to edit the username and password of your member.
